OBJECTIVE

I'm a passionate web developer skilled in HTML, CSS, JavaScript, and frameworks. Eager to apply my knowledge and learn new technologies, I'm committed to building responsive and user-friendly websites. I'm excited to contribute to innovative projects and grow my skills in a dynamic team environment.

WORK EXPERIENCE

Unique IT Solution, Web Developer - Intern   **June 2024 to Dec 2024**
Ahmedabad, Gujarat
I am completed virtual internship at **Unified Mentor**, working on advanced web development. My responsibilities include:

- Developed responsive and interactive web pages using HTML, CSS, and JavaScript.
- Collaborated in the design and implementation of the front-end UI to enhance user experience and accessibility.
- Continuously learned new technologies, frameworks, and best practices related to web development.
- Attended internal knowledge-sharing sessions to improve skills and contribute to team growth.
- Collaborated with senior developers and cross-functional teams to design and develop features.

PROJECTS

- **Snake Game, Number Game, Tic - Tac - Toe game, Calculator (2024):** completing a number game, tic - tac - toe game, snake game and Calculator using html, css and javascript.

- **GITHUB Link :** 🔗 **TIC - TAC - TOE GAME**
